Social Media-

Please monitor the pictures, texts and emails that your children are sending through social media. Inappropriate pictures or texts can lead to legal issues if students are not appropriate. Every year, we deal with serious issues between students ,that cause problems for students and parents. Students seem to have a lot of independence with phones and computers in middle school and that can get them in trouble. Know the passwords to your children's digital devices and have them show you what they are doing on social media. This can be an opportunity to share and learn from your child. It is very important to monitor this through middle and high school for the safety of all children.
