Summer Adventures!

At

July 10-12 and July 17-19

9 am to 12 pm

and

July 31, Aug. 1,2

August 7, 8, 9

9 am to 12 pm

South Meadow School

1. Open Library

Students can participate in IXL math practice, silent reading or join a book club. There will be the opportunity for incoming students to learn about the Accelerated Reader Program and all participants to take AR Tests.

2. CSI Science

A student-centered, interactive unit, engaging students in experiments where they can learn techniques that allow them to critically think about clues they discover, which they will then use to investigate and solve a crime.

Students will be engaged in:

- Fingerprinting
- The Science Behind Invisible Ink
- Observation Skills
- Footprint Sizing
- Chromatography
- Soil Analysis
- Data Collection
- Crime Scene Investigation!!

Lead Detectives

Sara Norby
Ann Henry
Meredith Lyons
Taylor Koban
Heather Stearns

Great Brook

1. Open Library

Students can select IXL math, or engage in independent reading.

2. Summer Music Exploration

Have you ever wanted to learn to play a musical instrument or would like to continue playing an instrument? Students will learn basic skills on guitars, pianos, ukuleles, African drums or singing. Each student will pick an instrument to learn. Trips may be taken to the local retirement home or to play in the park for the community.

This class will be self paced for each learner's style. Electronic music will be available as well. All materials will be provided unless you want to use an instrument of your own. The choice is yours!

3. On the Move

This course is designed to combine personal fitness with life-long physical activities. Each student will develop their own fitness program using different information and equipment. The main goal is to learn how to maintain a healthy lifestyle through activities such as mountain biking, hiking , fishing etc.
