Remote Students- Attendance is taken in every class.

Nov.1- This is the next date that a parent can request a change in a child's learning option. We need a few days to get transportation in place so students may start the change around Nov. 5.

SAS testing-

Each Pod will send out the schedule for the SAS testing in the morning of Oct. 27,28,29. Please encourage students to get a good night's sleep and give the test their best efforts. Some of the pods are starting at 7:30am each day.

Remote Learning for all students - Nov. 24-Jan.19-

We need to be sure that we have addressed all technology issues before Nov.1. Please call our office if you have concerns about your technology capacity during remote learning.

Safety- Priority/Bully Prevention – Tips for Parents-

1.Know your child's passwords to check all digital devices. It is important that you check pictures, text messages, emails, Instagram, pictures (to name a few programs) at all times, to monitor what your child is doing on-line.)

2. Remind your children that no videotaping is allowed without teacher permission. It is a legal violation to videotape a teacher or student without permission. It would be another legal violation to post any recordings on-line.

THE River Center

A Family and Community Resource Center

KINSHIP NAVIGATION

The Kinship Navigation program links custodial grandparents and other custodial caregivers to a broad range of services and supports to meet the needs of both children and caregiver.

In partnership with NH Family Children's Trust, The River Center's Kinship Navigation program provides free, confidential services throughout the greater Peterborough area and surrounding towns to support grandparents and relatives in the absence of the child's biological parents.

If you are a custodial grandparent/caregiver with questions like these:

What rights do I have as a caregiver?

I don't have the energy to keep up with my grandkids.

How do I manage that?

Am I the only one who doesn't know what they're doing?

...contact us.
