

Hello and Welcome to the 2019-2020 School Year!

From time to time we survey our students to better understand their perspective, their needs, and their thoughts about their school experience. This allows us to better plan and implement a meaningful and holistic program for our students. The following are a description of the surveys that your student may be offered during the 2019-2020 school year. Please initial next to the line for each survey that you give permission for your student to participate in.

_____ Technology Survey: Bright Bytes Survey

This survey asks questions pertaining to student use of technology. We use this information to inform you our progress in establishing a blended learning environment. To preview the survey, please go to <http://bbyt.es>, enter the access code VT2RC then click "Start." Click the "Students" button, put your cursor in the "Type to search schools" box, then select "South Meadow School" from the dropdown menu.
