

HAYES'S HAPPENINGS PAGE 1

April 1, 2022

Introduction

Mrs. Hayes Social Media class has been very fun. We have been doing many activities, as you read you will notice all the new things we have

learned. I hope you enjoy our newsletter. Also, **SHAUN THE LEPRECHAUN IS ON THE LOOSE! IF YOU SEE HIM, REPORT HIM IMMEDIATELY!!**

A Block

We are going to have a gym class in social studies. 🧑 Mrs. Hayes went to a workshop and learned a lot about how physical education increases test scores, 🍌 so she is letting Mr Sil teach her class. he will be swapping classrooms with Mr. Sil, and she is going to Hawaii on vacation for the rest of the year. 🌴 In her class everybody is required to wear Hawaiian shirts and grass skirts. Also, during class we have been talking about starting a circus world wide, 🦒 and we all have A+'s from now on.

D Block

😊 Crazy classroom! We just finished our addition like $1+1=11$, there is a bring your own monkey or orangutan to school tomorrow. 🐒 10 people in our class said they had a monkey or an orangutan 🦒. We are also making pie 🥧 in Social studies, that taste terrible 🤢 so we are going to feed them to the orangutans and monkeys 🦒 🐒. Sean the leprechaun took all our chromebooks 🍀! "CNDJVNDF K N DHCDHD" "Hey stop taking our chromebooks, sorry he took my chromebook and typed! Tomorrow we are going to turn the water green! We are giving out free t-shirts that say "Kids are better than everything!"

B Block

*The Social Studies classroom is becoming a food court due to the cafeteria closing 🚪🍷. **THE PRICE OF ICE CREAM IS GOING TO GO UP TO \$15.00 A CONE.** 🍦*

Also there will be NO drinks under the price of \$10.00, and soda is becoming the only option of drink. 🍹 Food fights are going to be happening randomly because it will put the food court in perfect condition. 🍕🍕🍕

vegetables are not permitted and consequences will occur if you eat them. 🍌🍌🍌 If you even think about bringing in vegetables depending on how much, you could lose all of your recess time, get suspended, or even expelled and for teachers they can get fired. 🍌🍌 Candy is highly recommended, as it is very healthy.

C Block

We will start the Mrs. Hayes speed walking program on April 1st. Wesley Jadlocki will be teaching everyone how to increase your social studies skills through speed walking. You can choose to watch others increase their IQ by speed walking or do it yourself! This is an exclusive event only on **April 1st** for kids who agree. Timmy Mctimmerson and Jimmy Mcjimmerson and Bobby Mcbobbyson will be joining our 5th grade class soon! You will now be allowed to use unicycles and pogo sticks for transportation around the school, and it's all Wesley's fault! The school will now replace normal toilets for neon green toilets, and April 1st is national "slap your friends in the face with a book day" 😊. Hey stop taking our chromebooks Shaun!!

g jgk, l; k [Uy; p&7r4yets fd zdv. Sorry about that. :).

Fun Fact!

Did you know there's a new species called the Elemunkgrl discovered by Mrs. Hayes. It is an elephant head, a monkey tail, and a gorilla body.

HAYES'S HAPPENINGS PAGE 2

A Block

In social studies a block. During Social Studies we finished our two pages on physical features. We also did our geography test on St.Patrick's day. We are starting History on 15, 16, 17 centuries. Right now we are working on worksheets on what states produce what. We recently watched a video on the Southeast, with a quiz made by two of our classmates. Lastly, we have been taking notes on the region's landforms, climates, attractions, and natural resources.

C Block

Most of the C block was prepared for the 50 states test. We are now moving into our history quarter. So start studying European countries if you don't know them yet. The Seterra Geography site helps you study your skills. Use an atlas at first until you memorize your European countries. We will also be studying the 13 colonies. So make sure you study your U.S regions. (Starting with the Southeast.) We have been taking notes on all the U.S. regions. Mrs. Hayes has assigned us natural resources packets.

Introduction

April Fools!!!!!! Now for the real news. Mrs.Hayes Social Studies class has been very nice. We have been learning many new things. As you read you will notice all the new things we have learned. I hope you enjoy our newsletter.

B Block

In the Social Studies classroom we are moving on into colonial history. Right now we are currently working on our regions. We are learning about their natural resources, climate, attractions, and landforms. We are going to talk a little bit about explorers, and as you know, we are going to also learn about the Revolutionary War.

D Block

In Social studies D block we are finishing up geography. We also finished our two physical feature papers. We are starting history on the 1500s, 1600s, and 1700s. We finished up a test on the 50 states and postal codes. We are working on watching videos and taking notes on the Southeast region. We also are doing a packet on the things that the region produces.

Reminders

As you are aware, Russia has been bombing Ukraine, so now men have been sent out and separated from their family. So that the women and children are safe and hiding. So, SMS has been raising money for Ukraine. The reason we are raising money is because we recently found out that 2 girls in our school have grandparents in Ukraine, so we are trying to raise money and when we have enough, we will send the money out to Ukraine.

Fun Puzzler
